

**Record Notes of Pre-bid meeting held on 27/06/2016 at NEEPCO, Shillong against
NIB No. 201 dtd. 01/06/2016 for Dam Safety Monitoring System.**

List of Participants: Annexure-I : Prospective bidders
Annexure-II: Officers from NEEPCO

At the onset, GM i/c C&P welcomed all the participants and requested all prospective bidders to raise any issues on the bid specifications.

The prospective bidders have raised questions on the technical specifications and D&E have clarified that the technical specifications is under review and examination.

Prospective bidders have also raised queries on the Qualifying Requirements. It was expressed that since the system asked for in the tender is unique and first of its kind in India, it is very unlikely that any bidder would meet the criteria based on value of the order executed as the foreign clients, where the similar works have been executed, generally decline to disclose the order values. The matter were deliberated upon in details and NEEPCO stated to study further for modification/amendment of the same, if any.

NEEPCO has requested the prospective bidders to furnish their queries in writing and as requested by them the time for submission of the same is granted till 30/06/2016.

All prospective bidders have requested to extend the due date of submission by at least 4 weeks from the date of publication of corrigendum/ amendment subsequent to this pre-bid meeting.

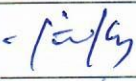

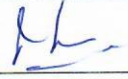

NEEPCO has stated that based on the discussion, all amendments/ clarifications/extension, if any made by NEEPCO will be uploaded in the e-procurement portal.

The meeting ended with vote of thanks.
