3. **Clause No. 14.11(Construction Power), Section-III B (Conditions of Contract – Erection) is amended to the following extent:**

Bid Stipulation	Amendment
The arrangement of construction power including temporary lighting of work area considering the minimum involvement of the bidder's worker in such assembly work shall be provided by NEEPCO.	NEEPCO shall provide construction power through grid on chargeable basis at commercial consumer rate of Rs. 7.6 per KWh. The Contractor shall make its own arrangement for distribution, protection system etc. throughout his working site and temporary facilities required for execution of the work. The cost of power consumed for the construction power as provided by NEEPCO shall be recovered from the contractor from the immediate next RA Bill. The power supply shall be disconnected on completion of the Work and vacation of the site, as early as possible. The grid power shall be provided as per availability. Contractor shall make its standby power back up arrangement with Diesel Generating sets during grid power failure for continuance of Project Work without hampering the progress of work. Non-availability of power would not entitle the Contractor to make any claim, whatsoever, for time extension or extra payment.

All other terms and conditions of the NIB shall remain unchanged.
