While section 4 (1) (a) provides a general guideline for record management, so that the information could be easily stored and retained, the subsections b, c and d of section 4 relate to the organizational objectives and functions. Sub-section 9b), (c) and (d) of section 4 of the RTI Act and other related information can be grouped in accordance with this, a large category of information has been prescribed in section 4(1) (b) (c) and (d) to be disclosed suo-motu. There are specific categories of information which are mentioned in section 4(i)(b) and each of those categories contains various items making it elaborate and exhaustive.
