6.1.1 The bidder shall have successfully completed Design, Engineering, Manufacture, Supply, Delivery and Erection & Commissioning (or supervision of Erection & Commissioning) of at least 01 (one) no. Three Phase Generator Step Up Transformer (GSUT) of capacity 45 MVA or higher and voltage level of 11/220 kV or higher OR at least 01 (one) bank of three nos. Single Phase Generator Step Up Transformers (GSUT), each of capacity 15 MVA or higher and voltage rating of $11/220/\sqrt{3}$ kV or higher, which has been in successful operation for at least 2 (two) years ending last day of the month previous to the one in which this LNIB is floated.

6.1.2 Authenticated documentary evidence in support of the above experience indicating details such as Scope of Work, Value of works executed, Date of Completion of Work, Name & Address including Contact No. & Email address of clients / employers / owners, Satisfactory Completion of Work and Successful Operation shall be submitted along with the techno-commercial bids for establishing eligibility in terms of the Qualifying Requirements. The documents shall be in the form of copies of work order, certificate of completion and certificate of successful operation.

6.1.3 The documentary evidence for completion of work as per scope of order shall be in the form of certificate(s) from the clients/owners/end-users. The documentary evidence of successful operation as mentioned above shall be from the end-user only.

6.2 Financial Qualifying Requirement:

The following experience criteria shall be fulfilled by the bidder:

6.2.1 **Minimum Average Annual Turnover:**

The average Annual Turnover of the bidder in the immediately preceding 2 consecutive Financial Years i.e. FY 2024-25 and FY 2025-26 shall be at least INR 50.13 Crore. (Rupees Fifty point One Three Crore) exclusive of GST.

Annual Turnover should be certified by practising Chartered Accountant with UDIN.

For evaluation purposes, the annual turnover of preceding years shall be brought to the current price level by considering an average inflation rate of 6% per year.

6.2.2 **Working Capital:**

Capacity to have a cash flow amount/working capital judged from the immediately preceding financial year as per the audited balance sheet / equivalent financial statements. The bidder shall have working capital of not less than **INR 7.88 Crore** (Rs Seven point Eight Eight Crore).

Working Capital/Cash Flow amount shall be calculated by subtracting Current Liabilities (CL) from Current Assets (CA) i.e. (CA-CL) as per the audited balance sheet/ equivalent financial statements including profit and loss statement of the immediately preceding financial year. If an audited financial statement for the immediate preceding financial year is not available, then the bidder shall submit these statements certified by a practising Chartered Accountant with UDIN.

6.2.3 **Net Worth:**

The bidder shall have positive "Net Worth" in at least 02 financial years out of the last 03 financial years, with the condition of positive Net Worth in the immediately preceding financial year.

The Net Worth shall be calculated based on Subscribed and Paid-up Capital + Free Reserves + Unallocated balance surplus amount of Profit and Loss Account less Loss in Profit & Loss Account if not reduced from Reserves.

6.2.4 **Bid Capacity:**

The available Bid Capacity of the Bidder at the time of submission of Bid shall be calculated as under:
Bid Capacity = 2 x A x N - B
Where,
A= Indexed value of maximum value of works executed (in an ongoing or completed project) in any one year during last 5 years, keeping index of inflation as 6% (compounded annually) for calculating 'A' at present Price Level.
N = Completion time of the Works put to tender in years.
B = Value at current price level of existing commitments and on-going works (as on the latest date for bid submission) to be completed in next "N" years.

Bid capacity shall be assessed at the time of submission of Techno-commercial Bid. Bidders shall calculate their Bid Capacity as per the stipulated formula and get it

certified by the practising Chartered Accountant with UDIN (Unique Document Identification Number) and submit along with their Bid.

Complete Audited Annual Reports along with Audited Balance Sheets, Profit and Loss Account & detailed Schedule and other financial statements for the preceding 3(three) financial years, ending 31st March of the previous Financial Year, along with Letter of adequacy and commitment from their Bankers/ Financial Institutions of International repute should be furnished along with their bids for evaluating the above financial criteria. In case where the audited results of the preceding financial years are not available, certified financial statements from a practicing Chartered Accountant will be also be considered acceptable.
In the certificates and attestations by the practising Chartered Accountant, UDIN (Unique Document Identification Number) shall always be mentioned therein.

6.3 Authenticated documentary evidence in support of qualifying requirements, as mentioned under Clause 6.1 to 6.2 above, shall be submitted in Techno-Commercial Bids. The documents should be in the form of Certificate of Clients/Owner. Bids submitted without fulfilling the qualifying requirements shall be outright rejected.

6.4 Notwithstanding above, NEEPCO shall have the right to seek any other information/ testimonies, as may be required and non-submission/ refusal to submit these shall be treated as a non-responsive bid which may result in disqualification.

7. For ensuring highest degree of ethics in the bidding process as well during construction of tendered Works, all the bidders shall enter into an Integrity Pact with the Employer at the time of submission of Techno-Commercial Bids. Presently, the Employer has appointed two "Independent External Monitor" (IEMs) as mentioned below for overseeing the compliance of obligations by the parties under the Integrity Pact.
