A Cleaning Drive was undertaken by the employees of AGBP on 16th February 2014. The programme was led by Shri H. K. Deka, Head of Project wherein Shri H. K. Changmai, DGM(E/M), Shri C. Saikia, DGM(C), other senior officers of the Plant and a large numbers of employees participated.

BONE DENSITOMETRY TEST AND TALK ON OSTEOPOROSIS

The Forum of Women in Public Sector (under the aegis of SCOPE) AGBP, organised a Free Bone Densitometry test camp along with a talk on osteoporosis by Dr. (Smti) Anindita Das, MBBS, DGO on 16th September 2013 at AGBP, for all the employees of the Plant and their spouses, which was attended by 180 persons. Bone density measurements are used to screen women for osteoporosis and osteopenia risk and to identify those who might benefit from measures to improve bone strength.

The test was conducted by three trained experts. Dr. (Smti) Anindita Das, also delivered a talk on Osteoporosis and Osteopenia in which she emphasised the statistical association between poor bone density and higher probability of fracture. Dr. Das also briefed the participants about the importance of healthy diet and healthy living.
