SC directs states to frame media briefing policies within 3 months

Utkarsh Anand
letters@hindustantimes.com

NEW DELHI: The Supreme Court has directed states to frame and notify comprehensive media briefing policies for criminal cases within three months in a move aimed at preventing media trials, prejudicing investigations, and violating the privacy of both victims and accused.

The court expressed dissatisfaction over the lack of seriousness shown so far in regulating how police communicate with the media during investigations.

A bench of justices MM Sundresh and N Kotiswar Singh said that states could draw from a detailed "Police Manual on Media Briefing" prepared by senior advocate Gopal Sankaranarayanan, who was assisting the court as amicus curiae, while evolving their own tailored policies.

"We deem it appropriate to direct the states to evolve an appropriate policy for Media Briefing by taking into consideration the Police Manual for Media Briefing furnished by the learned Amicus Curiae. The needful will have to be done within a period of three months from the date of receipt of a copy of this order," the bench said in its January 15 order, which was released on Wednesday.

The court said states could draw from senior advocate Sankaranarayanan's 'Police Manual on Media Briefing'.

The court noted that despite earlier directions and deliberations, states had not shown "adequate interest" in putting in place safeguards to ensure that police briefings do not result in media trials, prejudice investigations, or violate the dignity and privacy of victims and accused.

The directions came in a public interest litigation filed by the Peoples Union for Civil Liberties (PUCL) in 1999, which flagged the

absence of clear guidelines governing police encounters and media briefings by law enforcement agencies. Several connected appeals by individuals were also being heard with the case.

During a hearing in November last year, the top court had sought responses from the Centre and states on the draft manual, calling the exercise "unprecedented" and granting eight weeks for governments to study and respond to the document. At the time, the court described the 61-page manual as an "exhaustive" effort and said states must carefully examine it before the court considered issuing binding directions.

The manual lays down a rights-compatible framework for police communication, stressing that media briefings must balance the public's right to timely and accurate information with the dignity, privacy and fair-trial rights of victims, witnesses and suspects. It mandates that all disclosures pass four tests: legality, necessity, proportionality and accountability, and be issued only through designated spokespersons after vetting.

Security personnel carry out attachment proceedings at the residence of Shariq Satta following a court order in Sambhal, Uttar Pradesh on Wednesday.

Property of Sambhal violence mastermind attached by UP police

HT Correspondent
letters@hindustantimes.com

MEERUT: The Sambhal police on Wednesday attached the property of Shariq Satha, an alleged mastermind in the violence that broke out in Sambhal on November 24, 2024, following a court order. Officials said the action was carried out in the Hindupura Kheda Pajaya locality under the Nakhasa police station area.

The unrest in Sambhal followed a court-ordered survey of the Shahi Jama Masjid on November 19, 2024, after claims that a Harihar temple earlier stood at the site.

Sambhal tehsildar Dharendra Pratap Singh said the property attachment was carried out under Section 84 of the Bharatiya Nyaya Sanhita (BNS) as per court directions against the absconding accused.

Krishna Bishnoi, Superintendent of police (SP), said police have received information that Shariq, while based in Dubai, is allegedly involved in gold smuggling and is allegedly working for Pakistan's inter-services intelligence (ISI). He said a look out circular (LOC) has already been issued against him and the process to obtain a Red Corner Notice is underway.

The Sambhal police issued arrest warrants against Shariq, a resident of Deepa Sarai, on September 10, 2025, and later, on October 25, 2025, attached his property worth ₹2.5 crore. Officials said the police are now preparing to set up an ATS office on Shariq's attached property.

Police said Shariq is a fugitive gangster with over 60 criminal cases registered against him in different districts. He is accused of being involved in large-scale auto lifting operations and allegedly stealing hundreds of luxury vehicles every year. Investigators claim he has been operating from Dubai and allegedly coordinated the Sambhal violence from there. During the violence, protesters allegedly torched police vehicles and opened fire. Four Muslim men were officially reported killed.

SIT rules out foul play in 17-yr-old Bihar NEET aspirant's death case

Avinash Kumar
avinash.kumar@htlive.com

PATNA: The special investigation team (SIT), probing into the mysterious death case of a 17-year-old NEET aspirant in Bihar's Patna, on Wednesday said they have found no trace of any untoward incident that led to the student's death, citing electronic evidence.

According to officials aware of the matter, she had arrived from her hometown Jehanabad at her Patna hostel on January 5 at 3pm and was found unconscious the next day in her room, which had to be broken open.

The girl was initially taken to Prabhat Memorial hospital and later admitted to Medanta Hospital in Patna on January 10, where she died the next day.

A senior SIT official further refuted to the reports of people being detained for questioning in the case, or any arrests being made from Jehanabad. All action would be evidence-based, he said.

The SIT, however, said they were inching closer to concluding the reasons behind the extreme step taken by the girl and further probe is on.

Krishna Bishnoi, Superintendent of police (SP), said police have received information that Shariq, while based in Dubai, is allegedly involved in gold smuggling and is allegedly working for Pakistan's inter-services intelligence (ISI). He said a look out circular (LOC) has already been issued against him and the process to obtain a Red Corner Notice is underway.

The Board of Directors in their meeting held on **21.01.2026** has approved the same. Further the results has also been reviewed by the Statutory Auditors of the Company.

4) Electricity generation is the principal activity of the Corporation.

5) The Corporation has power stations located within the region and therefore geographical segments are inapplicable.

6) Sale of energy is accounted for based on tariff approved by the Central Electricity Regulatory Commission (CERC). In case of power stations where final tariff is yet to be notified/approved by the CERC, sale of energy is provided for on the basis of provisional rate considering the Annual Fixed Cost submitted before the CERC through tariff petition as per the principles enunciated in the CERC (Terms & Conditions of Tariff) Regulations 2019. For the projects for which neither CERC approved tariff is available nor petition pending with the CERC, sale of energy is accounted for on the basis of tariff as agreed by the beneficiaries.

7) Total income from operations during the quarter includes "Other Income" amounting to **₹ 565.63** lakhs (previous comparative quarter **₹ 247.08** lakhs)

8) Formula used for computation of Ratio :
a. "Debt Service Coverage Ratio" (DSCR) = [Profit before interest, Depreciation and Tax] / (Principal repayment + Interest)
b. "Interest Service Coverage Ratio" (ISCR) = [Profit before interest, Depreciation and Tax]/ Interest
Amount of Interest considered pertains to loans taken for Operational Power Stations only.
