analysis for any or all items of the Bill of Quantities, to determine the internal consistency of these rates/prices with the Construction Method and construction Schedule proposed. After evaluation of the rates/prices analysis, and explanation given by the bidder, the Employer reserves the right to declare rates of such items as Abnormally High Rate (AHR) / Abnormally Low Rate (ALR). In the event a bid, which results in the lowest Evaluated Bid Price is front loaded in relation to the Employer's estimate of the items of work to be performed at early stage under the Contract, the Employer may require that the amount of the performance security be increased at the expense of the successful bidder to protect Employer against financial loss in the event of default by the Contractor under the Contract, if award is placed on recommended bidder.

4. The provisions stipulated at Notes 1 of Annexure- IA: Performance Security Bank Guarantee (To be submitted by the Partners of Joint Venture) of Part-3: ITB of the Bid Document may be read as below:

(*) This sum shall be ... % (.....percent) in proportion of the participation share of the partner in the Joint-Venture totaling to percent of the Accepted Contract Amount denominated in the types and proportions of currencies as guided by Clause 4.2 of PCC.

(@) This date shall be Sixty (60) days after the end of the Defects Notification Period. (+) This date shall be guided by Clause 4.2 of GCC/PCC.

All others terms and conditions of the Bid Document and subsequent modifications issued through corrigenda shall remain unchanged.
