**CORRIGENDUM NO. 8 DATED 18/06/2015**

TO

NIB No. 126 DATED 03/03/15

FOR

Design, Supply, Installation and Commissioning of Hardware and ERP Software along with Implementation of Enterprise Resource Planning, Data Center Preparation & Disaster Recovery Site Facilities in NEEPCO.

The following amendment is made to the tender document of NIB No 126 dtd: 03/03/2015.

| Sl.No | Existing Clause                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Amended Clause                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| 1     | Clause 34.1, Sec-III GTC: For a period of 3(three) years from the date of successful implementation of overall configuration as certified by NEEPCO (called the Warranty Period), the Contractor shall remain liable to replace any defective hardwares & softwares items supplied. The contractor shall provide the on-site warranty & maintenance support during the warranty period as specified under technical specification in Section-IV of the bid document. A declaration of warranty shall be furnished along with the Technical Bid. If, during the period of warranty, any portion of the equipment/works is found defective and is replaced, the provision of this clause shall apply to the portion of the equipment so replaced until expiry of 3(three) years from the date of such replacement . The replacement shall be done at the shortest possible time to minimize the loss of the Purchaser and as mutually agreed to. If any defects are not remedied within a reasonable period of time, the Purchaser may proceed to do the work through any other Agency at the Contractor's risk and expenses, but without prejudice to any other rights which the Purchaser may have against the Contractor. | Clause 34.1, Sec-III, GTC: For a period of 3(three) years from the date of successful implementation of overall configuration as certified by NEEPCO (called the Warranty Period), the Contractor shall remain liable to replace any defective hardwares & softwares items supplied. The contractor shall provide the on-site warranty & maintenance support during the warranty period as specified under technical specification in Section-IV of the bid document.
