LEARNING TRIP BY THE NEEPCO WOMEN WELFARE ASSOCIATION TO MAWLYNNONG

On reaching Mawlynnong at 11.30a.m, the Headmen of Mawlynnong, Mr. Thomlim Kongthohrem welcomed us.

A meeting was organized at L.P. School of Mawlynnong where the Headman, Local Durbar members and the Members of the Women organization discussed and deliberated on various aspects of Cleanliness and Hygiene.

Addressing the gathering, Mr. Kongthohrem said that the mission of keeping the village clean had always been there since the time of his great grandparents and the responsibility has been handed over to each and every members of the village including small children, to ensure 100 % cleanliness at all times.

On the benefits of maintaining cleanliness and being recognized world wide as the cleanest village, Mr. Kongthohrem emphasised that their efforts have ensured that children mortality rate remains low and the villagers are generally healthy. Economically, tourist inflow has resulted in gainful employment and increase in income.
