The Engineer in-Charge shall also have powers to carry out the incomplete work by any means or through any other Agency or by himself at the risk and cost of the Contractor. In such a case, the value of the work done through such Agencies shall be credited to the Contractor at his Contract prices and the Contractor shall pay the excess amount, if any, incurred in completing of the works as aforesaid and as stipulated under sub-clause 19 (iii) hereunder.

- iii) If the expenses incurred or to be incurred by the Corporation for carrying out and completing the incomplete work or part of the same, as certified by the Engineer in-Charge, are in excess of the value of the works credited/to be credited to the Contractor, the difference shall be paid by the Contractor to the Corporation. If the Contractor fails to pay such an amount, as aforesaid, within 30(thirty) days of receipt of notice in writing from the Engineer in-Charge, the Engineer in-Charge shall be empowered to recover such amount from any sums due to the Contractor under this or any other Contract or from his Security Deposit or otherwise.
 - iv) The Engineer in-Charge shall also have the right to sell any or all of the Contractor's unused materials, constructional plant, equipment, implements, temporary buildings/structures etc. and apply the proceeds of sale thereof towards the satisfaction of any sums due from the Contractor under the Contract and if thereafter there may be any balance outstanding from the Contractor, the Engineer in-Charge shall have the powers to recover the same in accordance with provisions of the Contract.
 - v) All decision, actions of the Engineer in-Charge under the Clause as aforesaid shall be conclusive and binding on the Contractor.
- 20. Each bidder shall submit 1 (one) bid document either individually or as a partner in a Joint Venture.
 - 21. Withdrawal of bids at any stage is not allowed. If due to unavoidable circumstances, the bidder wishes to withdraw his/her bid by written request, the same will be allowed only by forfeiting the EMD. The bidder shall be disqualified for re-submission of bid.
 - 22. The Engineer-in-Charge, may at his discretion, approve and authorize the contractor to sub-let, transfer or assign the whole or any part of the work. Nevertheless, any such approval or authorization shall not relieve the contractor from his responsibility.
 - 23. From commencement to completion of the work as a whole, the contractor shall take full responsibility for the care thereof and for taking precaution to prevent loss or damage.
 - 24. If at any time after acceptance of the tender, NEEPCO decides to abandon or reduce the scope of works for reasons whatsoever, the Engineer-in-Charge shall give notice in writing and the contractor shall have no claim to any payment of compensation or otherwise.
 - 25. No claims for interest or damages will be entertained by NEEPCO owing to any dispute, difference or misunderstanding between the Engineer-in-Charge on one hand and the contractor on the other.

In the event of any suspension of work under Force majeure, the contractor shall have no right to claim for any compensation.

16. Termination of Contract on Death:

If the Contractor is an individual or a proprietary concern and if the individual or the proprietor dies, or if the Contractor is a partnership concern and one of the partner dies, then, unless the Engineer in-Charge is satisfied that the legal representatives of the individual Contractor or the proprietor of the proprietary concern and in the case of partnership, the surviving partners are capable of carrying out and completing the Contract, the Engineer in-Charge shall be entitled to terminate the Contract as to its incomplete part without the Corporation being, in any way, liable for payment of any compensation whatsoever on any account to the estate of the deceased Contractor and/or to the surviving partners of the Contractor's firm on account of termination of the Contract. The decision of the Engineer in-Charge that the legal representatives of the deceased Contractor or the surviving partners of the Contractor's firm cannot carry out and complete the works under the Contract shall be final and binding on the parties. In the event of such termination, the Corporation shall not hold the estate of the deceased Contractor and/or the surviving partners of the Contractor's firm liable for damage for not completing the Contract. Provided that the power of the Engineer in-Charge in such case of termination of Contract shall be without prejudice to any other right or remedy which shall have accrued or shall accrue to him under the Contract.

17. Default by the Contractor and Termination of Contract in full or in Part:

The Contractor shall not neglect to execute the works with due diligence and expedition or shall not refuse or neglect to comply with any reasonable orders given to him, in writing, by the Engineer in-Charge in connection with the works or shall not contravene the provisions of the Contract.

i) If the Contractor,

- a) commits default in complying with or commits breach of any of the terms and conditions of the Contract and does not remedy it immediately and not later than 10 (ten) days, in any case, after a notice in writing is given to him in that behalf by the Engineer in-Charge, or
- b) fails to complete the work(s) or any item of work(s) within the time specified in the Contract or any extended time under the Contract and does not complete the work(s) or any item of work(s) within the period specified in a notice given in writing in that behalf by the Engineer in-Charge, or
- c) offers or gives or agrees to give to any person in the Corporation's service or to say person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forbore to do

any act in relation to the obtaining or execution of this or any other Contract for the Corporation or

- d) enters into a Contract with the Corporation in connection with which commission has been paid or agreed to be paid by him or to his knowledge unless the particulars of any such commission and the terms of payment thereof have previously been disclosed in writing to the Engineer in-Charge, or
- e) obtains a Contract with Corporation as a result of ring tendering or other non-bona fide methods of competitive tendering, or
- f) being an individual, or if a firm, any partner thereof, shall at any time be adjudged, insolvent or have a receiving order or orders for administration of his estate made against him or shall take any proceedings for liquidation for the purpose of amalgamation or reconstruction under any insolvency Act for the time being in force or make any conveyance or assignment of his effective or composition or arrangement for the benefit of his creditors or purport as to do, or if any application be made under any insolvency Act for the time being in force for the sequestration of his estate, or if a trust deed be executed by him for benefit of his creditors, or
- g) being a company passes a resolution or a Court makes an order for the liquidation of its affairs or a receiver or manager on behalf of the debenture holder is appointed or circumstances arise which entitle the court or debenture holders to appoint a receiver or Manager, or
- h) suffers in the execution of the works from a lien being placed on his goods, or
- i) assigns, transfers, sub-lets, (engagement of labour on a piece work basis or of labour with materials not being incorporated in the work shall not be deemed to be sub-letting) or attempts to assign, transfer or sub-let the entire works or any portion thereof without the prior writing approval of the Engineer in-Charge.
- j) has concealed any information or has furnished any incorrect statement or misrepresentation or wilful misstatement or misleading or false representation(s) in the forms, statements and attachments submitted in proof of his qualifications.

The Engineer in-Charge shall have powers to terminate the Contract in full or in part as aforesaid without the prejudice to any other right or remedy which shall have accrued or shall accrue of which cancellation notice in writing to the Contractor under the hand of the Engineer in-Charge shall be conclusive evidence.

- ii) The Engineer in-Charge shall, on such termination of the Contract, have powers to take possession of:
 - a) the site of work under the Contract as well as the land/premises allotted to the Contractor for his works and
 - b) all materials, plant, equipment, implements, stores, structures etc. thereon.

The Engineer in-Charge shall also have powers to carry out the incomplete work by any means or through any other Agency or by himself at the risk and cost of the Contractor. In such a case, the value of the work done through such Agencies shall be credited to the Contractor at his Contract prices and the Contractor shall pay the excess amount, if any, incurred in completing of the works as aforesaid and as stipulated under sub-clause 17 (iii) hereunder.

- iii) If the expenses incurred or to be incurred by the Corporation for carrying out and completing the incomplete work or part of the same, as certified by the Engineer in-Charge, are in excess of the value of the works credited/to be credited to the Contractor, the difference shall be paid by the Contractor to the Corporation. If the Contractor fails to pay such an amount, as aforesaid, within 30(thirty) days of receipt of notice in writing from the Engineer in-Charge, the Engineer in-Charge shall be empowered to recover such amount from any sums due to the Contractor under this or any other Contract or from his Security Deposit or otherwise.
- iv) The Engineer in-Charge shall also have the right to sell any or all of the Contractor's unused materials, constructional plant, equipment, implements, temporary buildings/structures etc. and apply the proceeds of sale thereof towards the satisfaction of any sums due from the Contractor under the Contract and if thereafter there may be any balance outstanding from the Contractor, the Engineer in-Charge shall have the powers to recover the same in accordance with provisions of the Contract.
- v) All decision, actions of the Engineer in-Charge under the Clause as aforesaid shall be conclusive and binding on the Contractor.

18. Recession of Contract: In case, under any clause or clauses of this contract the Supplier shall render himself unable to pay compensation amounting to 10% of the total contract value, the Corporation shall have the power to rescind the contract by issuing a recession notice in writing to the supplier by the ordering authority which shall be final and conclusive and in such case the Security deposit of the Supplier shall stand forfeited and be absolutely at the disposal of the Corporation.

19. Drawal of Agreement: The successful bidder shall attend the office of the HoP, Wah Umiam Stage-III HE Project, NEEPCO Ltd., Mawsynram, Meghalaya within 20 (twenty) days after receipt of the detailed work order issued to him by the Corporation, for signing the formal agreement on non-judicial stamped paper of Rs. 20.00 (Rupees twenty) only. **The stamped paper 3 nos. would be supplied by the Supplier.**

20. Settlement of Disputes and Arbitration:

- 20.1 If any question of a dispute or difference of opinion whatsoever shall arise between the Supplier and the Corporation upon or in relation thereto or in connection with this contract, either of the parties may give to the other notice in writing of existence of such dispute. If the matter is not settled amicably by and between the parties, and on rejection, such matter of the dispute or difference of opinion shall be referred to the Arbitration in accordance with the Arbitration and Conciliation (Amendment) Ordinance, 2015 and Rules made there under and to such other orders, instructions issued by the Government of India from time to time in this connection. The Arbitration Tribunal shall consist of a Sole Arbitrator to be appointed by the Chairman & Managing Director of NEEPCO or by his duly authorized representative out of a Panel of names of three Arbitrators, proposed by him and selected by the Supplier.

- 20.2 The parties to the dispute, prior to referring the dispute to the Arbitrator, may mutually decide, first drawn up the specific terms of reference/issues by way of separate Joint Agreement, which shall be, filed before the Arbitrator for commencing the proceedings.
- 20.3 The sitting of the Arbitration proceeding shall be held at Shillong. The expenses/remuneration etc. for the arbitration proceeding shall be determined by the Arbitrator in accordance with Section 11 (14) of the Forth Schedule of the Ordinance, 2015 and the same shall be shared equally by NEEPCO and the Supplier.
- 20.4 The Arbitrator appointed shall have no power to award interest on any claim referred to the Arbitration. No claims for interest or damage on whatsoever count will be entertained by the Arbitrator with respect to any dispute, difference or misunderstanding between NEEPCO and the Supplier.

21. Laws Governing the Contract:

The Contract shall be governed by the Indian Laws for the time being in force. The court at Shillong will have exclusive jurisdiction to entertain civil suits pertaining to this Contract.
