We would like to bring in to your notice that the license renewal fees is paid in the period Jan-March every year as the license expiry date is 31st March of every year. So, we will not be in a position to submit the prescribed document. We would kindly propose to submit the "Receipt of Annual Fee paid to IRDAI for the FY 2025-26". When the new receipt is received from IRDA, we will share it accordingly. This problem is faced by us every year during this period of tendering every year and we are sure this is a common issue with every other insurer other than someone with a different renewal date. We hope that you would understand our problem and find us an amicable solution to participate in this tender and any further tenders during this period.</p>	<p>Bid stipulation shall prevail.</p>
