We, would like to bring into your kind notice that very few companies (1-2) are having both Operation and Maintenance experience for Hydro Power Plant. We, being OEM are having experience for Operation Assistance as well as Maintenance of hydro power plant for more than a decade. You are kindly requested to consider the operation assistance for the qualification purpose as it shall add value to project by bringing more OEMs to participate in this tender. More participation would mean more competitiveness. In lieu of the above request, we also request to extend the bid submission date by 1 month at least. We hope our request is considerable and wait for your kind confirmation.</p>	<p>Bid stipulation shall prevail.</p>
