

Healthcare, Sanitation and Nutrition:

NEEPCO is executing various Healthcare, Sanitation and Nutrition programme for upliftment of Health care facilities in the vicinity of the project areas as well as at its area of operation. In the last 6(Six) years, NEEPCO has made expenditure of Rs 12.46 Cr which is more than 25% of its CSR budget for upliftment of health care facilities in its areas of operation. The Healthcare activities include Free Health check-up camps, donation of ambulances, providing drinking water facilities, providing medical equipment to health centers and financial assistance to Yoga Wellness Centres etc. Health camp largely benefits the elderly people living in the remote areas in and around the project sites.

Initiative taken by NEEPCO:

Since inception, NEEPCO has been providing sincere medical intervention to fill-up the deficits of access to primary healthcare and basic healthcare facilities in neighbourhood of its project sites. The interventions include, up-gradation of primary and community health centres, donation of ambulance, health awareness camps, medical camps, financial assistance for treatment requiring special attention.

Free cleft & cleft palate surgery is one of the most successful interventions made by NEEPCO in the field of Preventive Health Care.

To deal with the kind of emergency or distress situation such as that posed by COVID-19 pandemic **NEEPCO has contributed Rs 4.40 Crore to the PM CARES Fund.**

3 Ri Bhoi villages get ambulances

From Our Correspondent

NONGPOH: The North Eastern Electric Power Corporation (NEEPCO) Limited on Thursday handed over three ambulances to three villages in Ri Bhoi District during a programme held at Circuit House, Nongpoh.

The ambulances were distributed to Mynri Umsning, Umran Niangbyrnai and Umsen as part of the Corporate Social Responsibility (CSR) initiative of the NEEPCO.

The programme was attended by Deputy Commissioner RM Kurbah, Director (Personnel) NEEPCO Anil Kumar, DGM (HR) NEEPCO Abhishek Kumar among other officials and the headmen.

During the programme, the DC and the headmen from the three villages expressed their gratitude to the NEEPCO for its contribution.

CSR ACTIVITIES DURING COVID-19 PANDEMIC: As a responsible corporate citizen NEEPCO is making all efforts towards containment of the spread of COVID-19 pandemic. Therefore, considering the COVID- 19 situation, NEEPCO has distributed PPE items such as triple layer masks, hand sanitizers and liquid hand wash to the populace in and around its operational areas. NEEPCO under its CSR initiative

committed to stand with front line health and medical staff who are at the forefront of protecting society from COVID-19. In this regard, PPE kits and Face Masks were also donated to the North Eastern Indira Gandhi Regional Institute of Health and Medical Sciences (NEIGRIHMS), Shillong and to the Guwahati Municipal Corporation (GMC) for further distribution among municipal workers deployed for fighting COVID-19. Apart from this under its CSR initiatives NEEPCO has also contributed to the PM CARES Fund. Also the CSR projects/programs which were sanctioned previous years handed over to the beneficiaries and stakeholders.

India has rolled out the world's largest Covid vaccination programme and is in the process to reach each and every part of the country so that no citizen is left in the COVID Vaccination Program.

In this noble initiative, NEEPCO was entrusted with the responsibility to provide Cold Chain Equipment's to the State of Meghalaya to combat the pandemic. As per the allocation plan, NEEPCO under its CSR scheme provided CCE equipment to the Ribhoi, East Khasi Hills, East Jaintia Hills, West Jaintia Hills District, and to the State Capital Shillong.
