Activities being undertaken by NEEPCO
in Respect of COVID-19 Outbreak

North Eastern Electric Power Corporation Ltd.

#IndiaFightsCorona Covid-19

With the sporadic increase in COVID-19 cases specially in the state of Tripura and Assam and with the imminent return of a large number of students and other people from different parts of the country, it was felt necessary to create and spread awareness amongst local communities and people around the Project. Banners have been displayed to create awareness on the prevention and precautionary measure for COVID-19.

Likewise, awareness programmes were organised for contractual workers on the use of PPEs and other precautionary measures. Awareness meetings were also held for employees with specific emphasis on the SOP for COVID-19 and its compliance.

Sanitization activities are being carried out in all Projects/ locations.

NEEPCO also continues to reach out to local communities in terms of distribution of PPEs, Sanitizers and providing of dry rations and other relief items.
