on

Activities being undertaken by  
NEEPCO in Respect of COVID-19  
Outbreak

North Eastern Electric Power  
Corporation Ltd.

As a responsible Corporate citizen, NEEPCO acknowledges that the issue facing each and every one of us today in regard to the COVID 19 pandemic is how we manage and react to the difficult situation emerging in our lives and communities.

We have taken several proactive steps to protect ourselves, our stakeholders and others to mitigate the spread of COVID-19.

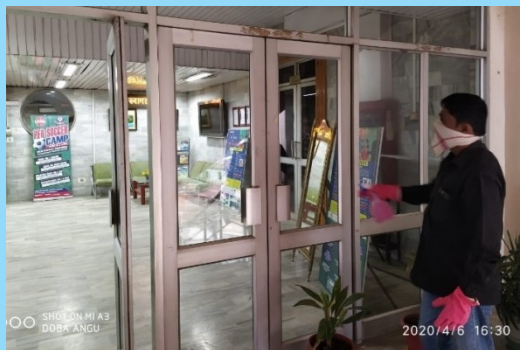

NEEPCO has also made arrangements to ensure supply of essential items in all its Projects. As part of preventive measures, employees, labourers and contractual workers at Project sites and vulnerable areas are also being provided with masks, soaps, sanitizers.

Further, all the operating Power Plants of NEEPCO have been advised to get in touch with the local administration and to extend all possible assistance to the local administration for helping the communities around the Plant/ Project areas in terms of essential medical supplies, dry ration and ambulance etc.

The local communities are being made aware of the COVID19 through loudspeaker announcements and by displaying Banners and Hoardings at prominent places.

## CORPORATE OFFICE, Shillong

All indoor areas such as entrance lobbies, corridors and staircases, elevators, security guard booths, office rooms, meeting rooms have been sanitised. High contact surfaces such as elevator buttons, handrails / handles and call buttons, escalator handrails, public counters, intercom systems, equipment like telephone, printers/scanners, and other office machines have been thoroughly cleaned and sanitized. Hand sanitizing stations have been installed at entry points.
